Benefits of Membership

Contacts

Additional contact listings within your business increase your visibility and marketing opportunities. The Chamber is interested in getting more people involved and active in the organization. New leaders will be created by including more people in Chamber activities.

Networking

Making new business contacts through your participation in Chamber socials and other events. When you participate in Chamber functions, your Chamber gives back to you.

Marketing

Your business is promoted through the Chamber's Website directory, sponsorship opportunities, and other marketing events.

Referrals

Many people turn to the Chamber of Commerce for referrals and recommendations. The Chamber only refers Chamber member businesses.

Visibility

As a Chamber Member, you receive a plaque that identifies your business as a Chamber member. Customers instantly recognize your support for the community.
